

**4-3-3: EXEMPTION:**

There shall be an exemption granted for one unregistered vehicle per parcel of land (as determined by the tax parcel identification number), if the unregistered vehicle use is limited to reasonable on site use and/or the vehicle is stored completely within a structure or building authorized and allowed by the county and the development code. Exemptions for ongoing "agricultural operations", as defined by and regulated by Utah Code Annotated, may also be granted. (Ord. 456, 7-30-2003)
